Some walking. Expect 1-2 hours of walking per day.
This may be around a park, market, garden or city tour.

Day 1 | Home – Washington, D.C.

Today we travel to our Nation's Capital, Washington, D.C., where the holidays make the city come alive! Upon arrival this afternoon, our first stop is at **Arlington National Cemetery** where we have tickets for the tour mobile. Arlington is a tribute to those who've dedicated their lives to defending the ideals of our country. After we will check into our hotel, the 4-star **Grand Hyatt Washington**. The hotel is in the center of the city, only blocks from the White House, the National Mall, and metro. This evening **dinner** is included. (D)

Day 2 | Washington, D.C.

A **full breakfast** is included this morning followed by a **guided tour of Washington, D.C.** See the WWII Memorial, Lincoln Memorial, The Vietnam Wall, FDR Memorial and the new Martin Luther King Memorial. This Afternoon, you will have free time to explore D.C. on your own. You might want to visit the Air & Space Museum, the National Museum of Natural History, The Spy Museum, or even Newseum. Maybe you will want to walk to the Capitol or White House. After our tour the afternoon is yours to explore. You will have time to shop at the 18th annual **Holiday Market**, located only one block from our hotel. With over 70 exhibitors showcasing small businesses and entrepreneurs from across the region. This is a one-stop wonderland for even that most eclectic gift for that special someone on your shopping list. Or, if you're up to it, you can ice skate at the National Gallery of Arts Sculpture Garden. Tonight **dinner** is included, before we head over to Nationals Park for **Enchant Christmas**. A winter wonderland lit up with million of lights. Enjoy walking through the many displays. (B,D)

Day 3 | Washington, D.C. – Mount Vernon - Home

After **breakfast**, our journey continues to **George Washington's Mount Vernon**. In 1754, George Washington began residing at Mount Vernon which is a 3,000 acre estate and a house that was approximately 3,500 square feet and was originally built by his father in 1735. By his death, Washington's Mount Vernon consisted of approximately 7,600 acres and an almost 11,000 square foot mansion. A box lunch is included before we leave for home with visions of gingerbread dancing in our heads. An evening return home is planned. (B,L)
