

Calendar House Presents:

Shaker for a Day Wednesday October 3rd 2018

Head to a **Utopian Village** for the day! Located in Pittsfield Massachusetts. The Hancock settlement was founded in 1783, and was active through 1960. Hancock Shaker Village is often times referenced as **The City of Peace**. It is here that the community members enjoyed a simple, peaceful and hardworking life that was away from “the world”.

Upon arrival you will be greeted with a Shaker Grace followed by a buffet lunch. During dessert you will be treated to a **Shaker Music Program** that illuminates Shaker beliefs and spirituality. After lunch you will start a **90 minute guided tour** that will introduce you to many of the key sites in the village. This will give you a glimpse into the Shaker daily life and practice. After the tour you will be treated to a **cider and cheese reception**.
