## Rapids and Rafts!

Crab Apple White Water  
Friday, April 26, 2019

Today, we head to Charlemont, Massachusetts to go on a **White Water Rafting Adventure!**

We will be going down the Fife Brook section of the Deerfield River. This beautiful rafting adventure is about ten miles long and has **class 11-111 rapids**. There are roughly 25 rapids over the course of the trip - Lemon Squeezer, Minefield, and the largest rapid - class III - Zoar Gap to name just a few. About halfway through the day, we will stop and have a riverside picnic lunch. During the calm rafting sections, allow your guide to fill you in on local history as you take time to enjoy the breathtaking scenery of the Berkshires. Upon arriving back to the facility, there will be a slide show presentation of the raft trip with the opportunity to buy some photos from your fun filled day.

**Important things to note:** All adventurers will need to sign a liability form. Also, due to the nature of this trip, those with heart conditions will not be allowed to participate in rafting (per the policy of the rafting company).

**Cost:** \$163 per person
