Three Sisters Sanctuary * Smith College Art Museum Year Round, No Mondays

Today's adventure bring us to Western Massachusetts to see some unique pieces of art!

Come explore one of Massachusetts best kept secrets and experience the magic of this living, whimsical place where art and nature collide. The **Three Sisters Sanctuary** is environmental art at its best, combined with majestic sculpture gardens. Explore 8 acres of accessible perennial, stone and water gardens combined with art installations that have been built over the last 25 years. Be sure to check out the 80-foot mosaic fire-breathing dragon! Today, we will have a chance to meet the artist and listen to his stories on what inspired him to make these beautiful sculptures! You'll even have the chance to ask him questions! We will enjoy a **boxed lunch** here.

Next stop of the day is Northampton, MA, to have a self guided tour of **Smith College Art Museum**. The Museum's permanent collection includes works created from antiquity to the present day by artists from around the world. It includes paintings, sculpture, works on paper (prints, drawings, photographs, and books), decorative arts, video, and multimedia installations.

After, have some free-time to explore the eclectic town of Northampton. Grab a bite to eat, shop, or sit and relax to people watch!
